

Family Constellation Complete Training

Master Course

This training is the most comprehensive online Facilitator Program available today, teaching Bert Hellinger's method to release intergenerational trauma! This training also includes systemic coaching for organisational constellations and how to release individual trauma!

Take all 8 courses in the Family Constellation Virtual Academy and become a knowledgeable and skilled Family Constellation Facilitator, Systemic Coach and Trauma Release Practitioner with 33 lessons, demonstration videos, exercises and quizzes!

Rooted deeply in Bert Hellinger's teachings, the family constellation VIRTUAL training has already certified dozens of students worldwide to become skilled facilitators.

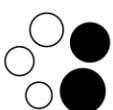

Course Overview

Facilitator Level 1: Foundation – (9 Lessons) This course introduces fundamental principles, including Hellinger's Orders of Love, Family Systems and their relationship dynamics, ancestral insights, and working with the Morphogenetic Field. It lays the groundwork for becoming a skilled facilitator. Lesson topics include The Basics of Family Constellation, The 1st, 2nd and 3rd Orders of Love, Mother, Father and Child Relationships, Partner Relationships, Victims and Perpetrators, The Morphogenetic Field and Ancestors. Also includes Bonus content of 6 demonstration videos!

Facilitator Level 2: Advanced Courses – (17 Lessons) After completing Level 1 we progress to the advanced courses where we dive deeper into Bert Hellinger's Family Constellations methodology. Comprised of 6 separate courses.

- 1 **Entanglement Dynamics: (4 Lessons)** Conveys paramount knowledge about the dynamics in Family Systems that need to be addressed in a Family Constellation to heal intergenerational trauma.
- 2 **The Power of Words: (4 Lessons)** Provides students with the tools to facilitate the soul-healing movement for the client, the representatives, and the participants.
- 3 **Diseases and Illness: (1 Lesson)** Overview and demonstration on how Family Constellation can help improve physical and mental well-being by revealing the soul-cause of a particular condition.
- 4 **The Art of Helping: (2 Lessons)** Provides important tools on how to lead the group, the client, and the representatives and conveys Bert Hellinger's Orders of Helping to ensure that the work as a facilitator professionally helps others.
- 5 **Working One-on-One: (2 Lessons)** Teaches how to facilitate Family Constellations in a private session using objects as representatives.
- 6 **Systemic Coaching: (3 Lessons)** Where you learn how to help organisations as a systemic coach using Family Constellations and the Orders of Love.

Trauma Release: (6 lessons) You will learn what causes emotional trauma, how it manifests and different ways to release it for yourself and others. We'll encounter in-depth emotional and spiritual healing, rebirthing, regressions into early childhood and past lives, and how to set foreign energies free.

Course Delivery: Online

Pre-requisites: None

Our courses are designed with both coursework and practical components, so that you will be guided from your very first welcome through to your final quiz, whilst being fully supported to become a confident and competent facilitator.

Coursework (Self-Paced Online): All training is online, self-paced with comprehensive course work that can be accessed anywhere where you have access to the internet. The training includes pre-recorded videos, exercises, quizzes, downloadable resources, charts and demonstrations.

Practical (Live Online): The theoretical knowledge gained in the coursework is supported by students participating in LIVE online events including:

SUPERVISED PRACTICE WORKSHOPS - interactive sessions allow students to apply facilitation techniques in a safe, guided environment. Real-time feedback from an experienced teacher enhances skill development and professional readiness.

COACHING CALLS - each month, students meet with other students and their teacher to receive support, ask questions about the course content, receive clarifications, and revisit topics.

WEBINARS AND Q&As - providing a deeper exploration of course topics, case studies, and emergent practices in the fields of Family Constellations, Systemic Coaching and Trauma Release.

Students are encouraged to attend the live online events whenever possible, as these sessions are key to applying the course content in practice and building the skills needed to become a confident and skilled Practitioner.

Course Duration: 2 Years

Complete within 2 years including the final quiz to be eligible for the Certificate of Achievement as a Family Constellation Facilitator, Systemic Coach and Trauma Release Practitioner. Extend access to your course/s by Subscribing to the LIVE EVENTS on an annual basis after this time. All subscribers will be able to access all courses they have previously enrolled in, for the duration of their subscription.
